AS LONG AS I LIVE

-HAROLD ARLEN/
TED KOEHLER

May-be I can't live to love you as long as I want to,
May-be I can't give you dia - monds and things like I want to,

life is - n't long e-nough, ha - by, but I can love you as
but I can prom-ise you, ha - by, I'm gon - na want to as

long as I live. long as I live.

I nev-er cared, but now I'm scared I

won't live long e-nough. That's why I wear my rub - bers

when it rains and eat an ap-ple ev-'ry day, then see a doc-tor an-y-way.

What if I can't live to love you as long as I want to?

'Long as I prom-ise you, ha - by, I'm gon - na love you as

long as I live.
