are?  
how deep is the o - cean,  
how far is the four - ney  
how high is the sky?  
from here to a star?  
How man - y  
times a day do I think of you?  
How man - y roses  
are sprin - kled with dew?  
And if I ev - er lost you,  
how much would I cry?  
How deep is the  
o - cean,  
how high is the sky?
