Joe keeps bus-y at the bar,

still he sets a place for you,
nev-er asks me where you are,

ev-'ry-thing the way it was be-
he was there when you walked out on

fore.
me.

I keep

Now I'll pray you'll walk back in___ and you'll

say what fools we've been,___ and we'll cel-e-brate a hap-py new be-

gin-ning! Chanc-es are you'll nev-er show,___ but you'll know just where to find me

ev-'ry night un-til it's time to close.
